

POST TO POST WARRANTY

Real Protection. Built Into Every Fence We Install.

At Hoosier Fencing Solutions, we stand behind our work. That's why every fence we install is backed by our **Post to Post Warranty**—designed to give you confidence from the ground up.

We don't just install fences. We stand behind them.

Warranty Definitions

Manufacturer Warranty

Covers defects in the materials themselves, such as cracking, breaking, or failure under normal conditions. This warranty is provided by the product manufacturer.

Workmanship Warranty

Covers the quality of installation performed by Hoosier Fencing Solutions, including proper post setting, alignment, structural integrity, and overall construction.

Labor Warranty

Covers service-related work after installation, such as adjustments, minor corrections, or repairs within the stated warranty period.

Coverage Overview

Vinyl & Aluminum Fences (Full Lifetime Coverage)

Our highest level of protection.

- **Lifetime Manufacturer Warranty** – Covers defects in materials (up to 30 years)
- **Lifetime Workmanship Warranty** – Covers installation quality
- **1-Year Labor Warranty** – Covers service-related adjustments
- **Full system coverage**, including posts, rails, panels, gates, and structural components
- Hardware and gate functionality covered under normal use

Stained Wood Fences (Upgraded Coverage)

Enhanced protection for natural wood.

- **Lifetime PostMaster® Steel Post Warranty** – Will not warp, twist, or crack like traditional wood posts
- **1-Year Workmanship Warranty**
- **90-Day Labor & Material Warranty** (covers wood-related warping, twisting, and cracking within this period only)
- Gate adjustments included within the 1-year warranty period
- Materials provided at cost after warranty period

Unstained Wood Fences (Limited Coverage)

Basic coverage due to the natural behavior of wood.

- **Lifetime PostMaster® Steel Post Warranty** – Will not warp, twist, or crack like traditional wood posts
- **90-Day Workmanship Warranty Only**
- Gate adjustments included within 90 days
- **No material warranty after 30 days**
- Wood is a natural product—warping, twisting, cracking, and color changes are not covered

What Is Covered

- Defects in vinyl and aluminum materials (manufacturer-backed)
- Installation quality and craftsmanship (workmanship warranty)
- Structural integrity of posts, rails, and framework
- Steel PostMaster® posts on all wood fences
- Gate installation and proper function (within warranty period)
- Standard settling and minor adjustments within the labor warranty period

What Is Not Covered

All Fence Types (Vinyl, Aluminum, and Wood)

- Wind or storm damage, including high wind events
 - Acts of God (severe weather, fallen trees, etc.)
 - Damage caused by external forces (vehicles, equipment, impact)
 - Ground movement, shifting soil, erosion, or drainage issues
 - Modifications or repairs performed by others
 - Lack of maintenance or misuse
-

Material-Specific Exclusions

Wood:

- Warping, twisting, shrinking, or cracking
 - Natural expansion and contraction
 - Fading, discoloration, or weathering
 - Any material-related issues beyond stated warranty periods
-

Warranty Clarification

Manufacturer warranties cover defects in the product itself, while our workmanship warranty covers the quality of the installation we perform.

Wind and storm damage are not covered under these warranties and are typically handled through homeowner's insurance.

Our Promise

Stronger. Cleaner. Longer Lasting.

With Hoosier Fencing Solutions, you're not just getting a fence—you're getting a system built to perform and a team that stands behind it.
